

PALMETTO PAINTERS BONUS POINTS SYSTEM -2009/2010

The bonus points are earned for specific tasks which support the Chapter. The specific tasks are listed below. 100 bonus points fills a card and can be used for a free day at the seminar of your choice. You may use only one card per seminar and the filled bonus card must be used within one (1) year of the date of the last stamp. There is no time limit for filling a card and you can start another card when one is filled without using the filled card. No points will be transferred from another card or from another member's card.

Each member is responsible for submitting their own card to be stamped. The President, Membership Chair or designee will be available at most activities to stamp cards. The stamps will be given at the time they are earned and cannot be carried over to a later date. If a member earns points at a time when stamping is not available, then the card will be stamped at the next meeting the member attends.

The Bonus Points Year runs from July 1, 2009 to June 30, 2010. The Bonus Points Committee will review the points annually.
